

RCSA INTRACOASTAL SUMMER PROJECTS

RCSA Families,

Our teachers have created some summer choice board activities to help your student prepare for the upcoming school year. Please read each page carefully to ensure that you are completing the correct number of tasks per choice boards. Several of the choice boards have links to videos and/or worksheets. Please find the digital copy of the summer projects on our school's website for easier access to the links.

<https://rcsaintracoastal.org/>

Summer projects count as a grade at the beginning of the school year. All projects are due to the homeroom teacher by **September 5th**. Students that turn in completed projects the first week of school will be able to participate in a scheduled dress down day

***Upcoming 2nd to 8th graders:**

You will be required to read a novel from your grade level's recommended reading list. There will be activities on the English Language Arts choice board that require a book to be read prior to completing the activities.

We hope you have a wonderful and safe summer. We are looking forward to having students back on August 14th.

-RCSA Administration
