

## COLLEGE MENTORSHIP PROGRAM

Dear Mentees, Parents, and Guardians,

Here at RCSA Intracoastal we value and desire a close and individualized educational relationship with our students and parents. We strongly believe that your child can achieve and go above and beyond his/her educational goals. CMP is designed to prepare students for the best colleges and careers! Colleges are no longer solely checking academics but athletics, leadership and social skills as well. Therefore, we have incorporated this program to help our students explore and enhance these specific skills.

The CMP program is a full school year program. It covers academics, health, character education, and social skills. This program requires full parental consent and support. There are no requirements to join CMP, however, there are requirements to stay in the program.

These requirements are:

- 2 + behavioral suspensions throughout the school year.
- Miss 3-4 lunch sessions without informing mentor.
- If we are off campus, and students' behavior does not uphold the RCSA core values.

Each student in this program will be assigned a teacher mentor that will be shared with other students. Students and mentors will study and participate in programs together. Activities may include but are not limited to academic enrichment, leadership development, social skills conversations, middle school and high school prep conversations, College visits, community service, and career planning.

This contract is to serve as an understanding that this program is considered extra and a privilege to be in. Also, if any of the above requirements are not met, you will be removed from the program and replaced by another mentee waiting to join the program. We strongly encourage you to inquire about the program and give us a final decision by using the link to submit your name and then returning this form to **Mrs. S. Davis, rm 310, by Friday, August 22<sup>nd</sup>**. A copy will be given to the mentee, the mentor, and the guardian(s).

CMP is Free to join, but there is a \$10 fee for the CMP T-Shirt 😊 Link to purchase the CMP Shirt:
